**PRESS RELEASE**

It is informed that the Intermediate Practical Examinations will commence from 06-02-2013. The practical examinations will be conducted in non-jumbling system only.

As per the suggestions of the expert committee, keeping in view the additional burden of new syllabus on the students in the ensuing NEET and other National Entrance tests, the Government has decided to maintain status quo in conducting the IPE Feb practical examinations .

All the Regional Inspection Officers are instructed to take necessary steps to conduct the practical examinations smoothly.
