

## **BHARAT OMAN** REFINERIES LIMITED

(A Company promoted by Bharat Petroleum Corporation Limited)

**Registered Office & Refinery:** Post BORL Residential Complex, Bina – 470 124, Dist. Sagar, MP.

*Refine your Career ... Realise your Dreams ...*

### **Requires Experienced Professionals for Refinery**

If you are looking for an opportunity to brighten your career in Oil Industry, **Bharat Oman Refineries (BORL)** is just the right place. **BORL** is a Company promoted by **Bharat Petroleum Corporation Ltd.**, with equity participation from **Oman Oil Company S. A. O. C.**, Oman. BORL has set up a 6 MMTPA grass root petroleum refinery at Bina, Madhya Pradesh. The state-of-the-art refinery has commenced production and is fully operational. Other than the Refinery located at Bina, there is a Crude Oil Terminal located at Vadinar (Jamnagar, Gujarat), a 935 KM long cross country underground pipeline across Gujarat & Madhya Pradesh to transport crude oil to Bina, a marketing terminal at Bina spread over 640 acres and a 257 KM long underground cross country pipeline to Kota (Rajasthan) for dispatching end products. Other than green fuels such as unleaded Euro III and Euro IV grade of Petrol and Diesel, refinery produces Kerosene, LPG, ATF, Naphtha, Pet Coke, and Sulphur.

For the comfort and welfare of the employees at Bina, there is a **Residential Complex** close to the refinery, with a shopping centre, a reputed school with education up to Class XII (**DAV BORL Public School**), a **Club House** with well equipped recreational facilities, and a hospital with health care facilities (**Vivekananda Kendra BORL Hospital**).

BORL is enhancing its operations with higher capacity utilization and increased efficiency aimed at a higher output. Moreover, plans for expansion of Refinery are on the anvil. To partner and strengthen our existing team, meeting the challenges head on, we are looking for young, dynamic and energetic professionals to join us for the following positions at Bina:
