

UNIVERSITY OF CALCUTTA

One Junior / Senior Research Fellow required for the project entitled “Molecular action of Moringa Oleifera leaf extract and its active components in radiation protection: Assesment of Low and High LET radiation effectivity” funded by Inter University Accelerator Centre

(An autonomous Centre for UAC) in the Department of Physiology , University of Calcutta .Duration of the Project One Year extendable only after evaluation Date of Walk-in Interview is on 15.02.2012 at 11:30 a.m. in the office of the Secretary , Dept. of UCSTA,92,A.P.C.Road , Kolkata – 700 009.

Eligibility :-

(i) For JRF

First Class M.Sc. in any branch of life Science with NET Qualification . Candidates having M.Sc. degree with NET (Lectureship) / Valid GATE qualification may also apply for JRF ship.

(ii) For SRF

First Class M.Sc. in any branch of Life Science with two years research experience as evidenced by published papers or M.Tech. in Biotechnology with GATE qualified.

Candidates having research experience on cell cultures Molecular Biology Technology Radium Biology, Animal Handling skill are proffered.

Fellowship : Rs. 16000/- +adm. allowance in the slab of 16000- 16000-18000 for NET qualified Candidates. Otherwise fellowship will be Rs. 12000/- in slab of Rs. 12000-12000-14000/- for JRF ship. In case of SRF fellowship will be Rs. 18000/- + adm. allowances as per norms of C.U. & also as per sanction of funding agency.

Interested candidates are requested to bring two sets of complete application furnishing biodata on plain paper with attested copies of testimonials and all originals at the time of interview.
