

Department of Applied Optics & Photonics

University of Calcutta

The Department of Applied Optics and Photonics will be admitting a maximum of twelve (12) students to the Ph.D. program of the Department, if found suitable. Candidates with M.Sc (Physics/Electronics/Biomedical Instrumentation or equivalent), M.Sc.(Tech) in Optics and Optoelectronics, M.Tech (Optics and Optoelectronics/Electronics & Telecommunication/ Instrumentation or equivalent) may apply. The admission process will be in accordance with the PhD regulations of the University (available at http://www.caluniv.ac.in/Phd_Dlit/PhD%20rules.pdf). The application form can be downloaded from the university website.

Important Dates:

Last date of application	:	07.03.2012
List of candidates found eligible for written test or direct interview	:	13.03.2012
Date for PhD admission written test	:	20.03.2012
Publication of list of candidates qualified in written test and selected for interview	:	23.03.2012
Interview of shortlisted candidates	:	27.03.2012
Publication of final results	:	30.03. 2012

There is no fixed syllabus for the written examination. Graduate level knowledge of Optical Physics, Optics & Optoelectronics, Electronics and Mathematics is expected.
