Advertisement for the Appointment of Junior Research Fellow(s)

Applications are invited on plain paper from suitable candidates for the post of Junior Research Fellow (JRF) (**upto 2 Fellowships**) to work in the DST sponsored project “**Collaboration by Indian Physicists on Neutrino Projects at Fermilab**” under Prof. Brajesh C Choudhary of the Department of Physics & Astrophysics, University of Delhi, Delhi-110007. The candidate must have completed M.Sc. in Physics with a minimum of 55% marks and UGC-NET with LS. The selected candidates having NET qualified for Lectureship will be paid Rs. 12000/- p.m. + HRA. A candidate who has qualified NET with Fellowship will be paid Rs. 16000/- p.m. + HRA. The candidate will have to work as a full-time fellow of the project. This position is valid upto 10.04.2015 only (possibly extendable) and is purely temporary and co-terminus with the project. Interested candidates are encouraged to send the application to the undersigned - in a single pdf file consisting of a cover letter, detailed CV (with contact phone number(s) and e-mail(s)), details of marks obtained and proof of UGC-NET with LS or Fellowship by e-mail given above. Applications with incomplete information will not be entertained. The advertisement is valid for 21 days from the date it appears on the University web-site.

Interview will be held tentatively in January 2014. The short listed candidates will be informed at least a week in advance by e-mail. No TA/DA will be paid for the interview.

A handwritten signature in black ink, appearing to read 'Brajesh C. Choudhary', with a horizontal line underneath.
