PROSPECTUS AND INSTRUCTIONS TO THE CANDIDATES
&
ELIGIBILITY CRITERIA

GENERAL GUIDELINES FOR RECRUITMENT AND QUALIFICATIONS

The direct recruitment to the post of Assistant Professors, Associate Professors and Professors in the Universities and Colleges shall be on the basis of merit through all India advertisement and selections by the duly constituted Selection Committees as per the guidelines prescribed under these Regulations to be incorporated under the Statutes/Ordinances of the concerned university. The composition of such committees should be as prescribed by the UGC in these Regulations.

The minimum qualifications required for the post of Assistant Professors, Associate Professors, Professors, will be those as prescribed by the University Grants Commission in these Regulations.

The minimum requirements of a good academic record, 55% of the marks at the master's level and qualifying in the National Eligibility Test (NET), or an accredited test (State Level Eligibility Test - SLET/SET), shall remain for the appointment of Assistant Professors.

NET/SLET/SET shall remain the minimum eligibility condition for recruitment and appointment of Assistant Professors in Universities / Colleges / Institutions. Provided, however, that candidates, who are or have been awarded Ph. D. degree in compliance of the "University Grants Commission (minimum standards and procedure for award of Ph.D. Degree), Regulations 2009, shall be exempt from the requirement of the minimum eligibility condition of NET/SLET/SET for recruitment and appointment of Assistant Professor or equivalent positions in Universities / Colleges / Institutions".

Reference to Ph.D-s in these Regulations shall be taken as a doctoral degree from a University following the UGC Regulations of 2009 regarding registration process, course work, and evaluation process with effect from the date of issue of such guidelines by UGC. The exemption from NET/SLET/SET will not be applicable to Ph.D degrees awarded by the universities who have not adopted and followed the above UGC Regulations of 2009, provided the Universities have adopted the guidelines issued by UGC from time to time to accord exemption of the Ph.D. degree holders from acquiring a pass in NET/SLET/SET.

NET/SLET/SET shall not be required for such Masters Degree Programmes in disciplines for which NET/SLET/SET/ accredited test is not conducted. Any relaxation in the prescribed qualification, including the NET exemption, can be made only by the University Grants Commission in a particular subject in which NET/SLET/SET is not conducted. Such relaxation would be based on the application made by only the affected universities for the specified subject(s) and for a specified period based on sound justification.

Provided in case of State Universities, where NET/SET/SLET qualified candidates are not available, the concerned Universities may grant exemption only with the concurrence of the respective State Government.
Provided further in case of Central Universities such exemption can be granted by the concerned University only with the concurrence of the UGC.

Provided further that exemption so granted in both the cases stated above, shall be subject to the condition that the candidates shall acquire their NET/SLET/SET qualification, preferably within a period of 2 years, failing which they shall not be eligible for any increments in their pay scales and for seniority for the years of service rendered by them without such qualifications. The eligibility for increments and service seniority shall become operational from the date of qualifying for NET/SLET/SET or acquiring Ph.D. Degree as per the UGC Regulations, 2009.

The 55% marks in Master's level should be insisted upon for those entering the system from outside and at the entry point of Assistant Professors

A relaxation of 5% may be provided at the graduate and master's level for the SC/ST/Differently-abled (Physically and visually handicapped) categories for the purpose of eligibility and for assessing good academic record during direct recruitment to teaching positions. Rounding off of marks to make it to 55% or 50% as the case may be through grace mark procedure etc., by universities is not permissible for claiming relaxation. A relaxation of 5% may be provided, from 55% to 50% of the marks to the Ph.D. degree holders, who have passed their Master's degree prior to 19th September, 1991.

Relevant grade which is regarded as equivalent of 55% wherever the grading system is followed by a recognized university shall also be considered eligible.

The Ph.D. should be a compulsory requirement for the designation of Professors.

Ph.D. shall be a compulsory requirement for all candidates applying for direct recruitment as Associate Professor. The period of time taken by candidates to acquire M.Phil. and/or Ph.D shall not be considered as research experience to be claimed for appointment to the teaching positions.
