

GATE 2014

GRADUATE APTITUDE TEST IN ENGINEERING

For the information of all the candidates appearing in GATE 2014 examination
scheduled on 1st and 2nd March 2014

IMPORTANT ANNOUNCEMENT

The third phase of **GATE 2014** examination will be held as per schedule on **1st March (Saturday)** and **2nd March 2014 (Sunday)** in all parts of the country. All the candidates appearing for GATE 2014 on these days are hereby requested to make suitable travel arrangements so that they can reach the examination centres well before the start of the examination and appear in the examination as per schedule. If necessary, candidates may even consider arriving at examination location a day before and stay at a place close to the centre to ensure timely arrival at the centre before the start of the examination.
