

Gujarat State Petroleum Corporation Ltd., the only state owned Oil and Gas Exploration Company in India is actively engaged in consolidating a diversified portfolio across the energy value chain. The Rs.6,616 crore group operates in the domains of exploration & production, gas trading, gas transmission, distribution and retailing, power, information technology, education and research. As a leading E & P company, GSPC holds working interests in 64 onshore and offshore Oil and Gas E & P Blocks, of which 11 are located in Australia, Egypt, Indonesia and Yemen.

We require competent E&P professionals for our hydrocarbon producing blocks at Kakinada to strengthen our Production Team.
