India Meteorological Department (IMD) invites applications for engagement of 6 (Six) Nos. of Senior Research Fellows (SRFs) at different locations all over India to be recruited purely on temporary/contractual basis in the project “Forecasting Agricultural output using Space, Agrometeorology and Land based Observations (FASAL)”. The project ‘FASAL’ funded by Ministry of Agriculture (Department of Agriculture & Cooperation), New Delhi. Persons recruited under this project would get an opportunity to work on development of crop yield forecast at State and National level by integrating and interpreting remote sensed satellite imageries, meteorological data and crop information. The project is approved up to 31.03.2018 or co-terminus with the Project. However, it may be extended further if project performance is found satisfactory by Ministry of Agriculture. SRFs will have opportunity to work with well qualified and experienced scientists at Agricultural Meteorology Division of India Meteorological Department, Pune, IMD HQ (Agromet Service Cell), New Delhi and State Meteorological Centres located all over India.
