Admission to Two months Basic Certificate Course in
VLSI and Embedded Systems

The Department of Department of Computer Science and IT, University of Jammu, Jammu has established a high ended Linux based IMAGE VLSI Embedded system lab in collaboration with Powai Labs Technology Pvt. Ltd (an IIT Bombay incubated and equity held entity; funded by DST, Govt. of India). The Lab has been set up with the aim to train the students of this region in the specialized area of electronics electronic Design automation (EDA). This course shall enable student to implement, test and simulate the electronic circuits in the controlled IMAGE VLSI set up using VHDL (Very High Speed IC High Definition Language) and hardware Description Language (GHDL).

With this objective the department invites applications for a two months Basic Certificate Course in VLSI and Embedded Systems to be run at the Department of Computer Science and IT, University of Jammu, Jammu. The course shall commence from June, 2012 at the Department.

Eligibility - Students who have completed or pursuing MCA / M.Sc. (CS/IT) or BE / B. Tech. in CSE/ IT/ Electronics/ Electrical / Electronics & Telecommunication Engineering can apply for the admission to this course.

Course Fee – Rs 5000 (payable lump sum by each candidate after selection)
No of seats – 20 (Twenty only)

The selection shall be made strictly as per merit of the last qualified exam. The programme shall be conducted three days a week two to three hours daily. The Applications can be obtained from the office or downloaded from the website mentioned above. The last date for the submission of the complete application form is 14th of June, 2012.

For any further query, Dr. Pawanesh Abrol, Associate Professor and Course Coordinator may be contacted at mobile no. 9419122511 and mail id - pawaneshabrol@jammuuniversity.in.
