**NITIE Mumbai**

**National Institute of Industrial Engineering**

**(An autonomous body under the Ministry of HRD, Govt. of India)**

National Institute of Industrial Engineering (NITIE) was founded in 1963 as a collaborative effort between the Government of India and International Labour Organization. NITIE prepares students for a seamless induction into industry by blending management principles and technical skills. NITIE has been providing solutions to the complex problems of industries. Currently, NITIE is running four post graduate programs (PGDIM, PGDIE, PGDITM, PGDISEM) and a fellow research program. Industrial Safety and Environmental Management (ISEM) program inculcates environmental thinking into business decision making. NITIE invites applications for the posts of **Junior/Senior Research Fellow (JRF/SRF) and Technical Staff** for European Union-DST project, the details of which are provided below:
