Subject: M/s. F1 Technologies - Campus Recruitment Work Shops, Assessment Exams
and Campus Drives.

M/s. F1 Technologies approached Osmania University with a proposal to conduct Campus Recruitment Work Shops, Assessment Exams and Campus Drives of cost to the students. These programs are conducted by charging a nominal fee of Rs.200/- per student. The programmes are particularly designed for the professional students like Engineering and MBA who are pursuing their studies in order get into great careers. However these programmes are suitable for all branches and at all levels. F1 Technologies has conducted various trainings and placement programs for the last 6 years, with very well experienced trainers.

It also conducts an online employability assessments named Logic Maps Common Employability Test (LMCET). The primary benefits for the candidates who will be a part of this ground-breaking array of online employability assessments are:

- Unlimited Online Employability Tests with various test papers based on subject of the student and Company-based patterns. For B Tech students, exams will be in all branches to choose from. Likewise, other streams.
- Providing near-exhaustive preparation through vast assortment of relevant learning material
- Illuminating insights from captains of industry, into industry trends and innovations
- Every month Grand mock online recruitment test - LMCET
- Resumes forwarded to appropriate Jobs & Companies - Complete Placement Help
- Established network of peers and experts for any additional support
- Regular updates about all career-related news - Walk-Ins, Vacancies etc.
- Consistent engagement through various channels
- Constant dialogue to encourage complete knowledge of subject

This Office recommends that your college may also permit/ Sri Harsha Teja (on their mobile number 8801112222/ 8121484554 and email id: sriharshateja@yahoo.in) to take registrations of students.

Thanking you,

Yours Sincerely

Achalapathi
