

## CERTIFICATE COURSE ON ENTREPRENEURSHIP DEVELOPMENT

The Entrepreneurship Development Cell, Osmania University is conducting a Part Time Certificate course on “**Entrepreneurship**” from end of March 2013 at EDC, O.U to promote Entrepreneurial Spirit among the youth, in association with M/s. Sparc Consultants Pvt. Ltd.

The programme is proposed to consist of Twenty Five (25) sessions of 1 hr 30 minutes each, three days a week spread over a period of about 8- 10 weeks. The sessions will be between 6.00 to 7.30 P.m

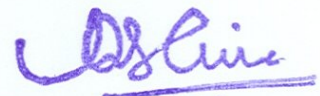

The programme will be launched on 16<sup>th</sup> March 2013 with a seminar on Entrepreneurship at 10.00 A.M at EDC, O.U. The purpose of the seminar is to discuss and evolve an action plan to conduct this programme effectively, to benefit Post Graduates and final year degree students ambitious of setting up own enterprise shortly. Gradates with a few years of experience with enterprising attitude are also welcome to participate. All colleges in twin cities may depute their respective Placement / EDC coordinator along with interested students.

Participants of this course will be awarded certificates by the university. The course will cover various aspects of entrepreneurship- right from Ideation, Evaluation of ideas, Feasibility studies, Business Plans and Elements of Marketing, Finance and other allied fields of management. Participants will benefit from the rich experience of mentors associated with this programme in converting their ideas to business models through project work.

Selection is through a test to assess the attitude/ aptitude/ motivation of the applicants required for a successful entrepreneur. The maximum size of the batch will be 50.

Course fee: Rs. 5000/- Paid / Cash or DD in favour of Director EDC, O.U, Hyderabad 500 007.
