PRESS RELEASE

CLUSTER INNOVATION CENTRE (CIC) Admission for B.Tech Programmes: 2013 - 2014

Cluster Innovation Centre (CIC) is a flagship centre of the University of Delhi started in September 2011 with the aim of interlinking Academia, Society and Industry through innovative activities. CIC offers a 4 year undergraduate programme B.Tech. / BS Innovation with Mathematics and IT and B.Tech. Humanities (under Meta College concept). Students enrolled in any of the regular courses of the University of Delhi are eligible to apply for admission to B.Tech / BS Innovation with Mathematics and IT. To apply for admission in B.Tech Humanities, the student needs to be enrolled in any programme of study at any college, SOL or Non-collegiate of the University of Delhi. The entrance examination form for these courses for the current academic session can be downloaded from 27th June 2013. Last date of submission of application form for admission is 21st July 2013. The entrance examination will be held on Sunday, 21st July 2013. The admission to these courses is through a written examination followed by an interview of the shortlisted students. The details and the application form can either be obtained from the Cluster Innovation Centre or can be downloaded from its official website <http://cic.du.ac.in> or www.du.ac.in. For further details the students can visit the website.
