Ref. No.KU/R/183/2014

Date04-04-2014

TO WHOSOEVER IT MAY CONCERN **NOTIFICATION ISSUED IN PUBLIC INTEREST**

Vide Notification Memo No. KU/R/42/2014 dated 28.01.2014, the Kolhan University has notified a Centralized Entrance Admission Test for those seeking admission to the B.Ed course of session 2014-15.

It has come to the notice of the University that some erstwhile affiliated colleges are contemplating to hold a separate admission test/process in this regard. These colleges have furthermore misguided the major stakeholders, i.e. the students and their wards etc, by erroneously stating that their institutions are affiliated to the Kolhan University for the session 2014-15.

The legal position, as it stands, in the light of the law laid down by the Apex Court is that the State/University can certainly make provisions for common entrance test. Only with respect to an institution declared as a “minority institution” by the State Government under Article 30 of the Constitution of India can the said institution be provided separate benefits if it is holding its admission test for the last 25 years or above. The NCTE circulars etc also permit the State/University concerned to hold common entrance test for admission to the B.Ed. colleges.

Be advised and informed that the said erstwhile affiliated colleges may face non-affiliation/disaffiliation/cancellation of affiliation and as such any student seeking admission to these colleges through the separate admission test/process as being organized by these erstwhile affiliated colleges shall be doing so at his/her own risk and the University shall in no way be liable for any ensuing incidental or consequential damages or the like.
