The counselling for provisional admission into MD/MS courses for the year 2016 is scheduled at 10.00 AM of 06/04/2016 at Learning Centre, 1<sup>st</sup> floor, Old OPD Block, NIMS. The qualified candidates are requested to report for counselling at 9.30 AM on the said date with hall ticket and all other original documents/certificates as prescribed in admission prospectus (Annexure III) failing which no candidate shall be allowed for counselling. The candidates recommended for provisional admission are required to pay tuition and other fee of Rs.10,000/-(Rupees ten thousand only) immediately. The dead line for reporting to counselling is 10.00 AM and no candidate will be allowed after 10.00 AM under any circumstances.

The following is the counselling procedure and seat matrix to be followed during counselling for admission into MD/MS courses for the year 2016:

### **Counselling procedure**

1. The parameters considered during the counseling are:
  - i. the roster point (see table below)
  - ii. social category allotted for that roster point
  - iii. merit order of the candidate belonging to the category and
  - iv. Availability of subject of the candidate's choice within the university area he/she belongs to (see table below), if applicable.
2. The candidates will be called in the order of roster point and asked to choose the subject of their choice. The first roster point for this year (2016) happens to be 45 and is allotted to BC-A. Therefore, the top ranker among BC-A candidates will be called first and will be asked to choose the subject of his/her choice and will be

allotted the subject, provided a seat is available within the university area (if applicable) he/she belongs to. Similarly, the second candidate to be called will be the top ranker among OC candidates (Open category: irrespective of social status). The third candidate shall be top ranker among SC category and so on. As the counseling proceeds, if a subject selected by a candidate is not available by virtue of getting filled up before, he/she will be allotted a subject of his/her second choice. The other restriction that the candidate will have while selecting a particular subject is the availability of seat within the local university area he/she belongs to. In case it is not available the candidate will be asked his/her next choice where a seat is available within the university area he/she belongs to.

#### 4. 'Differently-abled'

- i. One seat is reserved at 56<sup>th</sup> roster point for differently abled (Physically Handicapped) candidate. This seat will be filled on horizontal basis.
- ii. The reservation of PH (differently-abled) in admission to PG medical courses in the first instance is provided to candidates with locomotory disability confined only to lower limbs between 50 to 70% and in case eligible candidates are not available, then the candidates with disability of lower limbs between 40 to 50% will be considered. The Medical Board constituted by the NIMS will scrutinize/verify the disability candidates and candidates claiming reservation under PH for conformation of eligibility. The decision of the Medical Board shall be final.
- iii. The roster point 56 will remain reserved for a 'differently-abled' candidate only if the previous roster points (i.e.45 to 55) do not get filled by such a candidate. If any of these points gets filled by a differently-abled candidate, the roster point 56 will be allotted to an OC candidate.
- iv. If the candidate at 56<sup>th</sup> roster point happens to be an OC-PH, then the roster will remain intact. On the other hand, if the candidate happens to be in the reserved category (BC-A, BC-B, BC-D, BC-E, SC, ST), then the next available roster point for that category will be adjusted to an open position. For example, if a differently-abled ST candidate opts for the seat at roster point 56, then the 58<sup>th</sup> roster point which is the next available roster point for that category will be adjusted to open category. If a differently-abled SC candidate opts for the seat, then the 62<sup>nd</sup> roster point will be adjusted to an open category. If a differently-abled BC-B candidate opts for the seat, then the 60<sup>th</sup> roster point will be adjusted to an open category and so on for other categories too.
