D.O. No. 14-2/2013(CPP-II)

10th December, 2015

16 DEC 2015

Dear Madam/Sir,

The Central Board of Secondary Education has introduced three computer-based courses to students of classes XI and XII at Senior Secondary level (classes XI & XII) (a copy of the letter received from the CBSE is enclosed). These subjects involve 70% marks for theory and 30% marks for practical work in the board examination. All these subjects are offered under Academic Stream and have curriculum specifications that are compatible with the major subjects in science having theory and practical components. All the three courses are regular academic computer based subjects.

These three courses may be treated as computer based subjects and the marks obtained by candidates in these subjects may be included for calculating the aggregate marks for deciding the eligibility for admission. These subjects find a reflection in the subjects already being offered at the graduate level in various Educational Institutes. It is important that appropriate consideration may be accorded while admitting the students to the undergraduate courses at the college/university level.

You are requested to take appropriate action for recognition of these new subjects for the purpose of admission of students in degree programmes.

With regards,

Yours sincerely,

Prof. (Dr.) Jaspal S. Sandhu

To

Vice Chancellors of all universities

Copy to:

1. Sh. D.T. Sudharsan Rao, Joint Secretary & Incharge (Academics & Training), Central Board of Secondary Education, Shiksha Sadan, 17, Rouse Avenue, Institutional Area, New Delhi – 110 002 (with reference to letter No. CBSE/Acad/JS & IC (A & T)/2015 dated 12.08.2015.

2. The Publication Officer, Website Division, UGC.

Subject: Computer-based Courses of CBSE.

Sir

Self Through O. Office
Secretary Board 30266
Date 8-9-15

The Central Board of Secondary Education offers following computer-based courses to students of classes XI and XII:

4. Computer Science (083)
5. Informatics Practices (065)
6. Multimedia and Web Technology (067)

These subjects involve 70% marks for theory and 30% marks for practical work in the board examination. All these subjects are offered under Academic Stream and have curriculum specifications that are compatible with the major subjects in science having theory and practical components. All the three courses are regular academic computer-based subjects. A copy of the curriculum of these three courses is attached for your reference.

In the light of the above, it is requested that for the purpose of admission to undergraduate courses, the three courses may be treated as computer-based subjects and the marks obtained by candidates in the these subjects may be included for calculating the aggregate marks for deciding the eligibility for admission.

It is requested that UGC may issue necessary notification and directions to all universities/ colleges/ institutions/ departments under its jurisdiction so that the students willing to take admission in various programs should not face difficulties in perusing higher studies.

With regards

DT Sudharsan Rao
Joint Secretary and Incharge (Academics and Training)
