Salient features of the Recruitment Process for Appointment to the Post of Pharmacist 'B'

(1)	Bhabha Atomic Research Centre, Trombay, Mumbai initiated recruitment process to fill up 3 (2-ST, 1-OBC) vacancies of Pharmacist 'B' (Non-Gazetted) post (Direct recruitment). Accordingly, an Advertisement was released in Employment News & local dailies inviting on-line applications for the said post vide Advertisement No. 1/2013 (R-II) & the last date for receipt of applications was 23/02/2013. The facility for applying against the post through on-line was further extended upto 16/03/2013 without any change in terms and conditions including eligibility criteria as mentioned in the advertisement No.1/2013 (R-II).
(2)	Nominations were called for from Employment Exchanges in terms of the extant rules.
(3)	In all 899 applications were received before the due date. The applications were screened by appropriate means. Due to high response, this Research Centre has conducted a screening test to shortlist the candidates to be called for trade test / interview. Accordingly all the 899 candidates were called for screening test and the list was posted on BARC website. The facility of downloading of Admit Cards were made available to 899 candidates. They were also informed about this facility by SMS alert and e-mail.
(4)	The screening test was conducted on 03/07/2013. The result was declared on the same day. The qualified candidates in the screening test were called for trade test / interview on 04/07/2013 & 05/07/2013.
(5)	Out of 899 candidates called, 35 candidates were selected for trade test. Among these only 31 were meeting the eligibility criteria as mentioned in the advertisement. Hence only 31 candidates were trade tested and interviewed.
(6)	Trade test and interview for 31 candidates were conducted on 04/07/2013 & 05/07/2013 at 11.00 a.m. onwards at BARC Hospital, Anushaktinagar, Mumbai-94 before the duly constituted Standing Selection Committee consisting of representatives from SC/ST, minority and female categories.

(7)
