Approval was accorded by CMD to engage 51 Graduate and 89 Technician Apprentices in different fields of Engineering and Technology (Ref. page N/3) for which advertisement was published in 2 local Hindi newspapers on 29/09/11 and letters were sent to candidates referred by Employment Exchange Ranchi and also to all Polytechnics Engineering colleges of Jharkhand. Against above advertisement and letters 103 applications for Graduate Apprentice and 120 for Technician Apprentice were received. 98 and 79 applications were found valid among them on initial scrutiny (details on page N/6). 54 Graduate applicants and 57 Diploma holders were called for interview. Out of them only 30 Graduate and 50 Diploma holders (Technician) candidates turned up for interview. Two committees constituted to recommend selection of Graduate and Technician Apprentices interviewed these candidates on 08/02/2012, 09/02/2012, 10/02/2012 and 13/02/2012. Committees' reports/recommendations of their observations are placed on pages C- to C- for approval.

Committee-1 constituted for selection of Apprentices in Electrical Group, metallurgy, Civil and CSE/IT Group recommends following candidate for selection:

Recommendation is to engage 24 Graduate Apprentices and 27 Technician Apprentices considering branch wise vacancy and availability of suitable candidates in each branch on terms of Apprenticeship Act 1961 amended in 1973 & 1986.

Further as recommended by committee-1, one **Graduate Apprentice** in IT branch and eight **Technician Apprentices** of Electrical Group belonging to Engineering branch mentioned against their names relaxing branch wise vacancy position are also proposed to be inducted:

Excerpt from Report of Committee-1 constituted for Electrical Group.

“Thus altogether 29 candidates have been recommended for selection against branch (group) wise approved vacancy position (42) all groups inclusive both in Graduate and

Technician Apprentice. Committee recommends considering selection of following candidates having more than 90 marks out of 125 and 75% (i.e. 19 or more marks) in interview against these vacant seats:

1. Paresh Rajwar	IT	$70.90 + 20 = 90.90$	SC	<b>Graduate Apprentice.</b>
2. Soni Kumari	ECE	$74.34 + 22 = 96.34$	Gen	Technician Apprentice.
3. Pragya Shikha	ECE	$73.60 + 22 = 95.60$	Gen	Technician Apprentice.
4. Pooja Gupta	Elect	$73.35 + 22 = 95.35$	Gen	Technician Apprentice.
5. Ankita K Shrivastava	EIC	$73.31 + 20 = 93.31$	Gen	Technician Apprentice.
6. Sudha Khalkho	Electronics	$69.67 + 23 = 92.67$	ST	Technician Apprentice.
7. Champa Kachhap	Elect.	$70.67 + 22 = 92.67$	ST	Technician Apprentice.
8. Rajkumari Munda	ECE	$73.64 + 19 = 92.64$	ST	Technician Apprentice.
9. Usha Rani Khess	ECE	$69.70 + 23 = 92.70$	ST	Technician Apprentice.”

Induction of above **nine** apprentices will benefit them towards employability elsewhere as majority of them belong to deprived class, will be a noble work towards society as well as smoothen our functioning in different areas.

Finally it is proposed to engage 25 Graduate 35 Technician Apprentices as listed above against approved 140 apprentices in different branch/trades from 16<sup>th</sup> March 2012. This will satisfy our obligation to engage for both years 2011-12 & 2012-13. Monthly stipend payable to them will be Rs.  $3560 \times 25 + Rs. 2530 \times 35 = Rs. 177550/=$  (Rupees one lakh seventy-seven thousand five hundred fifty only).
