Provisional List of Selected Candidates for
M.Tech in Computational Engineering

On the basis of successful completion of seven weeks "Introductory course in Computing" securing 80/100 or above marks or grade 'A', and meeting other eligibility criteria, the following candidates are provisionally given admission in to the course of Two Year M.Tech program in Computational Engineering.

The candidates have to attend -8- hours a day for their studies by self learning mode and research survey in addition to a duty of -4- hours a day for teaching assistance. The candidates shall get an amount of proportionate honorarium subject to a maximum of Rs.10,000/- per month as teaching assistance for undertaking teaching assignments.

All the admitted candidates have to live in the campus availing the dormitories and food as provided by RGUKT along with other B.Tech students. The charges for tuition (Rs.4000/-), accommodation and food(Rs.2,200) and cost of Laptop (Rs.1,800) shall be deducted/adjusted every month from the amount earned through teaching assistance and the balance of amount Rs.2,000/ shall be paid towards incidental expenses on pro-rata basis.

The M.Tech program for this batch of students shall be conducted at the RGUKT campus, Nuzvid. The candidates are informed to report to the "Director, RGUKT campus, Nuzvid" on 27-09-2012 for joining the course at 10.AM.
The candidates are required to fulfill the following formalities obliging to;

i.   Produce and deposit all the original certificates of SSC, Intermediate and graduation,
ii.   a. Make payment of special fee of Rs.6,000/ for first year(2012-13) towards
   - Admission fee (Rs.1000),
   - Special fee (Rs.4,000) and
   - one-time refundable caution deposit(Rs.1,000)
   b. In the second year(2013-14) Rs 4000 shall be paid towards the special fee.
iii.   Submit an undertaking (proforma enclosed)

M.Tech. Programme (2012-13)

<u>Undertaking</u>

With reference to my admission to the M.Tech Programme in Computational Engineering at Rajiv Gandhi University of Knowledge Technologies in 2012, I _____, a candidate having been provisionally selected for admission to the above Programme undertake that I fully understand;

1. The nature, methods and organization of the M.Tech. Programme and will abide by them

2. That I need to pass M.Tech. Course in order to get M.Tech. Degree, where the method of teaching is by "Learning by Doing" employing cognitive techniques and self learning,

3. That the place of study of the M.Tech. Programme is any of the three RGUKT Campuses (Basar/Nuzvid/Idupulapaya) and prepared to go to any campus even during the course,

4. That I accept "Teaching Assignment" undertaking the teaching,

5. That I agree to the deduction of the charges for food, accommodation and tuition fee from my "Teaching Assistance" by the RGUKT authorities,

6. That the programme is fully residential for the students,

7. That I will bear all my expenses for the M.Tech. Programme in case if the Teaching Assistance is not given to me due to a valid reason,

8. I shall have my own Laptop computer either purchased by me or arranged by RGUKT by deducting its cost from my teaching-assistance earned in installments.

9. That I shall scrupulously follow the rules that are in force and the code of conduct of RGUKT from time to time and shall not in any manner disturb the educational atmosphere at the RGUKT Campus to which I will be allotted.

I undertake that I will agree to the above conditions and abide by them. I agree that RGUKT has the right to cancel my admission to the Programme at any point of time send me away from the campus if I violate any of the above or for any other valid reason.
