

OSMANIA UNIVERSITY

No.10 /BE/Exams/TT/2012

Dated: 10-07-2012

TIME-TABLE

B.E.(Regular) (All Branches) IV/IV II-SEMESTER (MAKE-UP) EXAMINATION: AUGUST 2012

Time: 10:00 am to 01:00 pm

Date	Civil	Electrical & Electronics	Instrumentation	Electronics & Communication	Mechanical	Production	Computer Science	Information Technology
01.08.2012	Estimating & Specification	Indl. Admn. & Fin. Mangt.	Indl. Admn. & Fin. Mangt.	Radar & Satellite Communication Systems	Management Information Systems	Management Information Systems	Mobile Computing (Old)	Embedded Systems
02.08.2012	Constn. Mangt. & Admn.	Utilization	Bio-medical Instrumentation	= = =	Prodn. & Operation Management	Prodn. & Operation Management	Data Mining (New)	Elective – IV
03.08.2012	Elective – II	Elective – II	Elective – II	Elective – II	Elective - II	Elective - II	Elective – II	Elective – V
04.08.2012	Elective – III	Elective – III	Elective – III	Elective – III	Elective – III	Elective – III	Elective – III	= = =
06.08.2012	= = =	= = =	= = =	Environmental Studies	Environmental Studies	Environmental Studies	= = =	Environmental Studies

Elective-II, III IV and V Overleaf.

**Sd/-
CONTROLLER OF EXAMINATIONS**

Civil	Electrical & Electronics	Instrumentation	Electronics & Communication	Mechanical & Production	Computer Science	Information Technology
Elective-II <ul style="list-style-type: none"> - Health Monitoring & Retrofitting of Structures - Ground Improvement Techniques - Advanced Environmental Engg. - Advanced Reinforced Concrete Design 	Elective-II <ul style="list-style-type: none"> - Electrical Power Distribution Engineering - High Voltage Engineering - Adv. Control System - Optimization Methods - Renewable Energy Sources - Intellectual Property Rights 	Elective-II <ul style="list-style-type: none"> - Advanced Control Systems - Optimization Methods - Renewable Energy Sources - Industrial Instrumentation - Intellectual Property Rights - Real Time Systems 	Elective-II <ul style="list-style-type: none"> - Neural Network and Fuzzy Logic - Electromagnetic Interference & Electromagnetic Compatibility - Design of Fault Tolerant Systems - Global Positioning System - Micro Electro Mechanical Systems - Entrepreneurship 	Elective-II <ul style="list-style-type: none"> - Artificial Intelligence & Expert Systems - Machine Tool Design - Manufacturing Systems and Simulation - Mechatronics - Intellectual Property Rights - Microprocessors & Applns. - Nano Materials & Technology - Power Plant Engineering 	Elective-II <ul style="list-style-type: none"> - High Performance Computing - Soft Computing - Software Quality & Testing - Information Storage & Management - Human Computer Interaction - Entrepreneurship 	Elective-IV <ul style="list-style-type: none"> - Information Storage & Mangt. - Information Retrieval Systems - Pattern Recognition - Advanced Microprocessors & Microcontrollers
Elective-III <ul style="list-style-type: none"> - Ground Water Hydrology - Finite Element Methods - Disaster Mitigation & Mangt. - Advanced Transportation Engineering - Intellectual Property Rights 	Elective-III <ul style="list-style-type: none"> - Reliability Engineering - Electronic Inst. System - Image Processing - Neural Network - Internet Progg. - Tech. Writing & Presentation Skills - Power Systems Reliability - Soft Computing 	Elective-III <ul style="list-style-type: none"> - Reliability Engineering - Automation in Processes Control - Neural Networks - Internet Progg. - Robotics - Virtual Instrumentation - Soft Computing 	Elective-III <ul style="list-style-type: none"> - Speech Processing - Advanced Topics in Microwave Engg. - Robotics - System Automation & Control - Televison Engg. - Intellectual Property Rights 	Elective-III <ul style="list-style-type: none"> - Robotics - Product Design and Processes Planning - Modern Machining and Farming Methods - Plastic Engineering and Technology - Computer Graphics - Internet Programming - Fuels & Combustion - Rapid Prototyping Technologies - Material Handling 	Elective-III <ul style="list-style-type: none"> - Natural Language Processing - Multimedia Systems - Information Retrieval Systems - Real Time Systems - Adv. Data Bases 	Elective-V <ul style="list-style-type: none"> - Soft Computing - Human Computer Interaction - Software Project Management - Entrepreneurship
