

**KRISHNA UNIVERSITY :: MACHILIPATNAM**  
**B.Tech. Fourth year - First Semester (Regular) Examinations**  
**Time Table for theory Examinations, November - 2014**

**Regulation : 2011-12**

**Time of Examination : 10-00 AM to 01-00 PM**

| Day and Date         | Paper code            | Paper Title                                       | Max. Marks             |
|----------------------|-----------------------|---|------------------------|
| 03-11-2014 Monday    | CIV41111              | Structural Analysis-III                           | 70                     |
|                      | CSE41111              | Advanced Computer Architecture                    | 70                     |
|                      | ECE41111              | Computer Communication Networks                   | 70                     |
|                      | EEE41111              | Facts Controllers                                 | 70                     |
|                      | INF41111              | E-Commerce  | 70                     |
|                      | MEC41111              | Engineering Economics and Management              | 70                     |
| 05-11-2014 Wednesday | CIV41211              | Transportation Engineering-II                     | 70                     |
|                      | CSE41211/<br>INF41211 | Object Oriented Modeling and Design               | 70                     |
|                      | ECE41211              | Microwave Engineering                             | 70                     |
|                      | EEE41211              | Industrial Drives                                 | 70                     |
|                      | MEC41211              | Mechanical Measurements and Control Systems       | 70                     |
|                      | 07-11-2014 Friday     | CIV41311  | Remote Sensing and GIS |
| CSE41311             |                       | Artificial Intelligence and Neural Networks       | 70                     |
| ECE41311             |                       | Radar and Navigational Aids                       | 70                     |
| EEE41311             |                       | HVDC Transmission                                 | 70                     |
| INF41311             |                       | Mobile Computing                                  | 70                     |
| MEC41311             |                       | Finite Element Analysis                           | 70                     |
| 10-11-2014 Monday    | CIV41411              | Quantity Surveying and Estimation                 | 70                     |
|                      | CSE41411/<br>INF41411 | Cryptography and Network Security                 | 70                     |
|                      | ECE41411              | Satellite Communication                           | 70                     |
|                      | EEE41411              | Power System Analysis & Stability                 | 70                     |
|                      | MEC41411              | Automation and Computer Aided Manufacturing (CAM) | 70                     |
| 12-11-2014 Wednesday | CIV41511              | Pre-Stressed Concrete                             | 70                     |
|                      | CSE41511-6            | E-Commerce  | 70                     |
|                      | ECE41511-1            | VLSI Design                                       | 70                     |
|                      | EEE41511-1            | Electrical Distribution Systems                   | 70                     |
|                      | INF41511-5            | Real Time System                                  | 70                     |
|                      | MEC41511              | Automobile Engineering                            | 70                     |
| 14-11-2014 Friday    | CIV41611-1            | Earthquake Resistant Design of Structures         | 70                     |
|                      | CSE41611/<br>INF41611 | Managerial Economics and Financial Accounting     | 70                     |
|                      | ECE41611/<br>EEE41611 | Industrial Management                             | 70                     |
|                      | MEC41611-2            | Refrigeration and Air Conditioning                | 70                     |

## B.Tech. Fourth year - First Semester (Supplementary) Examinations

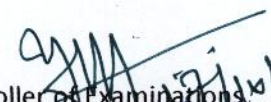

### Time Table for theory Examinations, November - 2014

Regulation : 2010-11

Time of Examination : 10-00 AM to 01-00 PM

| Day and Date         | Paper code     | Paper Title  | Max. Marks |
|----------------------|----------------|--|------------|
| 03-11-2014 Monday    | CE 41110       | Transportation Engineering - I                       | 70         |
|                      | CS 41110       | Wireless Networks                                    | 70         |
|                      | EC/ EE 41110   | Industrial management                                | 70         |
|                      | IT 41110       | E-Commerce & ERP                                     | 70         |
|                      | ME 41110       | Professional Ethics & Human Values                   | 70         |
| 05-11-2014 Wednesday | CE 41210       | Structural Analysis - III                            | 70         |
|                      | CS 41210       | Distributed Systems                                  | 70         |
|                      | EC 41210       | Computer Networks                                    | 70         |
|                      | EE 41210       | Power System Operation and Control                   | 70         |
|                      | IT 41210       | Security in Computing                                | 70         |
|                      | ME 41210       | Advanced Machine Design                              | 70         |
| 07-11-2014 Friday    | CE 41310       | Water Resources Engineering – III (Design & Drawing) | 70         |
|                      | CS/ IT 41310   | Object Oriented Analysis & Design                    | 70         |
|                      | EC 41310       | Microwave Engineering                                | 70         |
|                      | EE 41310       | Utilization of Electrical Power                      | 70         |
|                      | ME 41310       | Finite Element Analysis                              | 70         |
| 10-11-2014 Monday    | CE 41410       | Estimation & Quantity Surveying                      | 70         |
|                      | CS/ IT 41410   | Enterprise Programming                               | 70         |
|                      | EC 41410       | Satellite Communications                             | 70         |
|                      | EE 41410       | Switch Gear and Protection                           | 70         |
|                      | ME 41410       | Automation & Computer Aided Manufacturing            | 70         |
| 12-11-2014 Wednesday | CE 41510       | Earthquake Resistant Design of Structures            | 70         |
|                      | CS/ IT 41510-3 | .NET Technologies                                    | 70         |
|                      | EC 41510-1     | VLSI Design  | 70         |
|                      | EE 41510       | Power System Analysis & Stability                    | 70         |
|                      | ME 41510       | Industrial Engineering & Management                  | 70         |
| 14-11-2014 Friday    | CE 41610-1     | Prestressed Concrete                                 | 70         |
|                      | CS/ IT 41610-3 | Embedded Systems                                     | 70         |
|                      | EC 41610-1     | Digital Image Processing                             | 70         |
|                      | EE 41610-1     | HVDC Transmission                                    | 70         |
|                      | ME 41610-1     | Automobile Engineering                               | 70         |
