

Get Free Alerts Directly to Mobile for Teachers and Students from APTEACHERS

How to get Free Alerts Directly to Mobile for Teachers and Students from APTEACHERS. **This is working for All Networks.** Hai every one. Even though every one is using Internet for receiving Updates and Updated News through Whatsapp, Telegram, Facebook. But it is not possible every time and cost data charges. Hence We give a solution for this problem to receive all alerts and information directly to mobile phone with out any cost. **This is absolutely free service from us.** Just you have to send to messages from your mobile to receive our alerts. This service is offered from Twitter. Teachers and Students can get free Alerts.

- You are aware that we have our Twitter Group with name "APTEACHERS" . Don't worry, though the name is with APTEACHERS, it is for all Teachers of Telangana and Andhra Pradesh. As the service was started before bifurcation, and is very famous, we cannot change the group name. From this Twitter Group you can receive Messages for Free.
- **We are happy to say that We already have 2850 Followers on Twitter. But all these followers once again have to send these messages mentioned below to receive our updates**
